## Infant Room

Hello to everyone from the Infant room. We want to update you on some of the things that have been

going on in our class. We have quite a few new beautiful little ones to brag about. Come down and meet

Brennan, Ethan, Tatum and Jacqueline.

Tatum has accomplished a big milestone in the last few weeks. She is sitting on her own and eating table food. Beckett is also starting to sit on his own and Meagan, Trey and Asher are starting to crawl.

Brennan is the younger brother of Landry, PSII and Meagan is the cousin of Addison Trout. Along with developmental milestones we are working on social skills. Sensory stimulation is a big hit with our growing babies,

because they learn the most through play. Our babies are learning wonderful things. So come down and visit our little angels.

## Toddler One

First of all—THANK YOU TO EVERYONE who helped with the cake walk, silent auction basket and participated in the carnival! It was very successful and really fun.

Our class had a good time with Halloween activities this month, such as making spiders, jack-o-lanterns, and gluing pumpkin seeds on paper without trying to eat them! (not easy) We also had fun teaching our kids to say "Trick or Treat!" The champions of this were Briahna and Jacie! (Who were also the cutest duck and skunk ever!)

All of our toddlers are doing great things, Miss Addison is doing lots of standing and taking steps in her new walking shoes! Hudson is our official greeter! He loves to welcome his friends to school everyday. Lily is going everywhere and is always racing Joey to see who can crawl the fastest!

We are lucky to have a great class with really sweet kids. We are looking forward to some fun holiday activities! Come by Toddler One and see if you can tell our cut twin girls Aiyana and Aniya apart...betcha can't.

## Toddler Two

Happy Holidays from Toddler Two! We are having fun this fall going on field-trips, learning about seeds, fruits and vegetables,

harvest, changes in the fall and families. The children are working on increasing their vocabulary through songs, pictures and books. They are becoming more

autonomous by potty training and doing more things for themselves. They are working on self-calming skills and using their words for what they want. Thanks to all our parents who have kept our room stocked with snacks, wipes, and supplies, donated to our fall festival basket, and gone on field trips with us! Your involvement makes an impact on your child and our program!

## Preschool One

Preschool One has had a busy fall. We

would like to welcome Lexi and Nakia. I am very excited to lead the Preschoolers into a happy and healthy class. Thanks to all our friends and families and parents who helped with our wonderful OSU

basket...go pokes. The Fall Festival was a big success. We are very excited to welcome Melissa Hensley to our team, we will miss Rachel. Good luck with school. We will miss

you! Thank you to all of our parents that support us and know that we are trying to make Preschool One the best early childhood experience for your children. Alaina, Rylan, Kamden and Phyllis would like to thank Mansur for all he does with us and the class. Happy Fall Y'all!

**Preschool Two.**

Fall has been an exciting time for Preschool Two. We have been learning about the changing

weather and leaves. This month we will be learning

all about November, Thanksgiving and ships. Our class has added several new friends; Will Matthew,

Landry, Antonio and Josiah all joined us this month! The fall festival was a big hit this year! We could not have done it without the support of the parents!!!

**Pre K +.**

The children of Pre K + have been busy this fall

learning about weather and season changes. We have watched the leaves turn and studied pumpkins while gearing up for the Fall Festival.

Thank you parents for all your donations that helped make this year's festival a huge success!

November continues to bring opportunities to learn about nature. Fallen

leaves and sticks make great art projects! We're excited about Thanksgiving approaching. We'll be learning about ships and pilgrims in the coming weeks!

**Afterschool One and Two**

Afterschool One and Two have been very busy this school year! Thanks to our friends and family who helped us with the Fall Festival last month.

Our class helped raise over \$600 for Special Care!

We can't wait to purchase some cool stuff for your students!! This

month we will miss Jessiah Brown while he stays home to recover from surgery, but welcome back Kaila

Box, who has been absent since last summer's surgeries. We love

both of you and are wishing you the best. During the holiday season, the Afterschool program will be giving back to help families in the metro area. We are partnering with Presbyterian Urban Missions to help fill their food bank and raising money for their Santa Store.

Please ask Matt, Julie, Sarah, or Michael. Let's get together and make a difference this year!

**A BIG THANK YOU TO ALPHA PHI OMEGA AND THE OU DRUMLINE FOR THEIR AWESOME PERFORMANCE FOR THE CHILDREN OF SPECIAL CARE.... BOOMER SOONER!!!**

**SPECIAL CARE WISHES TO THANK THE FOLLOWING:**
